What is the TLBA?

As a business owner in the Towne Lake area, you may be aware of our organization, the Towne Lake Business Association (TLBA). Founded in 1998, the TLBA is a non-profit organization dedicated to promoting business in the Towne Lake area and serving as a support system for the business community.

The TLBA hosts monthly Lunch 'N' Learn workshops with featured speakers who are experts in their fields. Topics for discussion include advertising, marketing, customer service, human resources, recruiting, and cross selling, just to name a few. The TLBA provides educational presentations on relevant topics that help our members grow their businesses.

We realize that small business owners must wear many hats to keep their businesses running smoothly and effectively. The focus of the TLBA is to encourage small business owners to share ideas, function as a unified group as the business voice of Towne Lake, and provide moral support for each other in the business arena.
